

# American Semester Program – Student Application

## Statement of Financial Support

This is **only** required when students submit their parent or guardian's financial documents. It is NOT required if the student is submitting their own financial documents, or grant/scholarship letters in their name.

Applicant Name: \_\_\_\_\_  
Last First Middle

Nationality: \_\_\_\_\_

Date of Birth: \_\_\_\_\_  
(mm/dd/yyyy)

---

This is to certify that I (financially sponsor), \_\_\_\_\_, acknowledge and take full responsibility for all expenses involved with the participation in the American Semester Program/MSU Exchange Program at Michigan State University. I will provide financial support for him/her to cover expenses for the duration of the program. The financial support will be made available from the resources indicated on the provided bank statement/letter.

My relationship to the applicant:

\_\_\_\_\_

---

Signature

Date (mm/dd/yyyy)

## **Acceptable documents**

**Bank Statements:** should have the date and account holder's name listed; all funds must be easily accessible and liquid assets; all statements should be in English or have English translations; if a parent or guardian or relative's bank statement is used, please fill out the Statement of Financial Support below.

**Letter from the bank:** should have the date and account holder's name listed; should be written in English or translated into English; if a parent or guardian or relative's bank statement is used, please provide documentation with their signature.

**Scholarship, grant or scholarship letter:** must state you will receive the funds rather than stating you are eligible to receive funds; should be written in English or translated into English; must show exact amount of support to cover your duration at MSU.

## **Unacceptable Documents**

Statements verifying employment and salary, or insurance premiums and policies, or Property or personal assets (automobiles, land, buildings, jewelry, etc.), or non-liquid assets such as stocks, bonds, equities, retirement accounts, or credit cards, or income tax returns.
