

# GETTING TO CAMPUS

If you arrive outside the ASP pick-up service schedule, here are some tips for getting to Michigan State University from your arrival location.

### Ride-share apps for your smart phone.

Uber and Lyft are both apps you can download to your smart phone. Connect a credit card with your account, and you can order a ride right from the app.

You must have an internet connection, through either Wi-Fi or cellular data, to use these apps to order rides!

You can preview the cost of your ride before accepting it. Typically, the cost is lower than with a traditional taxi.

### Call a local taxi company to pick you up.

East Lansing is a small town, and you cannot hail a taxi from the side of the road. You must call ahead to order a ride.

The majority of taxi companies accept payment by credit card, but it is smart to have cash on hand just in case.
